### SAP C-S4TM-2020 Exam Description:

The "SAP Certified Application Associate - Transportation Management in SAP S/4HANA" certification exam verifies that the candidate possesses fundamental knowledge and skills in the area of SAP Transportation Management (SAP TM) and Transportation Management in SAP S/4HANA. This certificate proves that the candidate has an overall understanding of the solution within the application consultant for SAP Transportation Management profile and can implement this knowledge practically in projects under the guidance of an experienced consultant.

This certificate builds on the basic knowledge gained through related Transportation Management in SAP S/4HANA training and refined by practical experience as part of an SAP TM or Transportation Management in SAP S/4HANA implementation team. This exam is an entry-level qualification to allow consultants to validate their knowledge of Transportation Management in SAP S/4HANA or SAP TM solution fundamentals.

**NO.84** What can you define in the forwarding order type?

There are 3 correct answers to this question

- \* Stage determination
